Press Release: AMBA RECOMMENDED VARIETIES – July, 2019 Update

Contact: Scott E. Heisel, AMBA VP & Technical Director (414) 272-4640

Milwaukee, WI – July 9, 2019 - The American Malting Barley Association (AMBA) Board of Directors added the following variety to the recommended list of malting barley varieties for 2019.

LCS Violetta, a winter two-row malting variety, was developed by Saatzucht Breun in Germany and is marketed in the US by Limagrain Cereal Seeds. It has performed well in the mid-Atlantic and Midwest regions, but may not perform as well in the upper Midwest and northeast during severe winters.

With this change, the list of recommended malting barley varieties for 2019 is as follows:
